Medieval styled 4 bed /3 bath

Beautiful architecture completes this castle themed home in Primindia. With double slab and a huge open top patio, one can enjoy the breathtaking views of the mountains and the Crocodile River. There's an outer building on the property as well which is separate from the main house and can thus be rented out separately. Bedrooms are air conditioned, spacious and comfortable. Kitchen tops are granite.

The arched doors are all custom made with solid wood.

Property is well secured with neighbors at the back and on either side.
