It was Steve Jobs who said: "I sat in a garage and invented the future".

Everyone knows a garage is not only used to park a vehicle...Apple...Google...Amazon...Disney...Mattel... all started out in a garage! A garage is used for storage, as a workshop, as a hobby room, space for a music band (subject to HOA rules), and of course, to park and protect your car.

There are currently 10 single door garages, measuring 23m2 in size, for sale in the secure complex of Eldo Lakes East.

Call or Text today for more details on how to secure your dedicated space to park your car, store your gear, and pursue your passions.
